HTS HÖCKER

TENT EXPO 2011

Exhibition Ground Wächtersbach, Germany

16th – 19th November 2011

HTS HÖCKER invites you to our **TENT EXPO 2011**. Join us for a **Brazilian themed event with 'Brazilian Nights cuisine and entertainment'**.

HTS Höcker is a World leading designer and manufacturer of high quality clear span temporary structures for the global events industry. As the Company has grown, our product ranges have expanded to incorporate new innovative structure designs, like our new **Carbon-Tents**, together with an extensive range of accessory items for all product ranges.

TENT EXPO 2011 provides the perfect opportunity for HTS Höcker to showcase the current products available together with our exciting new product innovations all in one relaxed location. In addition, the TENT-EXPO 2011 will feature over 30 selected trade suppliers of events industry displaying related products from around the globe including furniture, internal linings, lighting, cooling and heating, flooring, stock control systems, fabric washing machines and more

At HTS Höcker our aim is to surpass our customers' expectations... we would like to show you how by inviting you to visit TENT EXPO 2011 and enjoy our complimentary hospitality.
